

ASHISH SEALS™
INDIA PVT. LTD.

MECHANICAL SHAFT SEALS & ROTARY JOINT MANUFACTURER

AN ISO 9001-2015 CERTIFIED COMPANY

Leakage? Get our seal done!

MECHANICAL SHAFT SEALS, & ROTARY JOINT
MANUFACTURER & EXPORTER

MECHANICAL SHAFT SEALS & ROTARY JOINT MANUFACTURER

AN ISO 9001-2015 CERTIFIED COMPANY

About Us

Ashish Seals (I) Pvt. Ltd. Entered into business from last two decades. Over the year the company has emerged as one of the leading pre-integrated projects execution company. Being in sustainable business of Mechanical Seals, we are specialized in Designing, Developing and testing of our core products & services.

Our legacy has driven us constantly to grow with the challenging need of superior sealing technology.

Today, Ashish Seals are globally recognized as a trusted brand in the process industry, which provides the most integrated engineered mechanical Seals and sealing support systems.

Objective

- **Focus** and maintain business in its most profitable segments while expanding into new business segments.
- **Deliver** exceptional client services with unrelenting focus on value creation.
- **Pursue** operational excellence with strong focus on quality and margin.

Vision

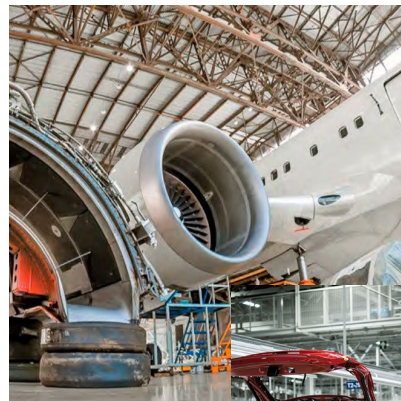

To be the leading pre-integrated project execution company, committed to quality and timely completion of projects, continuously enhancing stake holders & products Value.

Our Products

- Centrifugal Pump Mechanical Seals
- Cartridge Mechanical Seals
- Dry Mechanical Seals
- Agitator Mechanical Seals
- Reactor Mechanical Seals
- Rotary Joints / Rotary Union
- Thermosyphon Pot System
- & many mores.....

Industries We Serve

- Automotive
- Petroleum- Refinery, oil & Offshore
- Biomedical & Pharmaceutical
- Petrochemical Processing
- Hydroelectrically Power
- Nuclear Power
- Utility, Municipality, Construction
- Power, Mining
- Pulp & Paper
- Aerospace
- Marine, etc....

Mechanical Seal

BS11C
Rubber Bellow Mechanical Seal
Equivalent To MG12

BS13
Teflon Bellow Mechanical Seal

PS34
Single Spring Mechanical Seals

PS34 (CX)
Pre Assembled Cartridge
Mechanical Seal

PS38
Multi Spring Unbalanced
Mechanical Seal

PS40
Wave Spring Mechanical Seal

BS14
Hook Type Metal Bellow
Semi Cartridge Seal

DS71
Dry Running Mechanical Seal

CS53
Double Cartridge Mechanical Seal

Mechanical Seal

AS91
Horizontal Mount Entry
Agitator Mechanical Seals

AS92
Double Agitator Mechanical Seal

AS93
Bottom Entry Agitator
Mechanical Seal

AS94
Glass Lined Agitator
Mechanical Seal

AS97
High Pressure Agitator
Double Mechanical Seal

AS98
Agitator Mixer Vessel
Mechanical Seals

RJ90
Mono Flow Rotary Union

RJ93
Dual Flow Rotary Joint

TSP100
Thermosyphon System

Company Infrastructure

Our State-of-the-art infrastructure is located in the industrial hub of Mumbai. We have well equipped infrastructure with modern machinery and equipment for manufacturing and testing facilities. Company have very good advance set-up like

- CNC,
- VMC,
- Pump mechanical seal testing unit,
- Agitator seals complete live hydro testing,
- Vacuum testing,
- Seal compression testing & all necessary jig,
- Fixtures,
- Gauges,
- 3D Design Software & Experts Team

is available to deliver the best product to the valuable customers. ISO 9001:2015 Quality system is implemented with an advanced ERP system in this mechanical seal manufacturing unit.

Our Team

Our Team includes over 20 + professionals with ample field experience and in-depth Technical & Mechanical Seal knowledge.

Their ambition is dedicated to implementing high quality standards for our products and services through application.

Capabilities

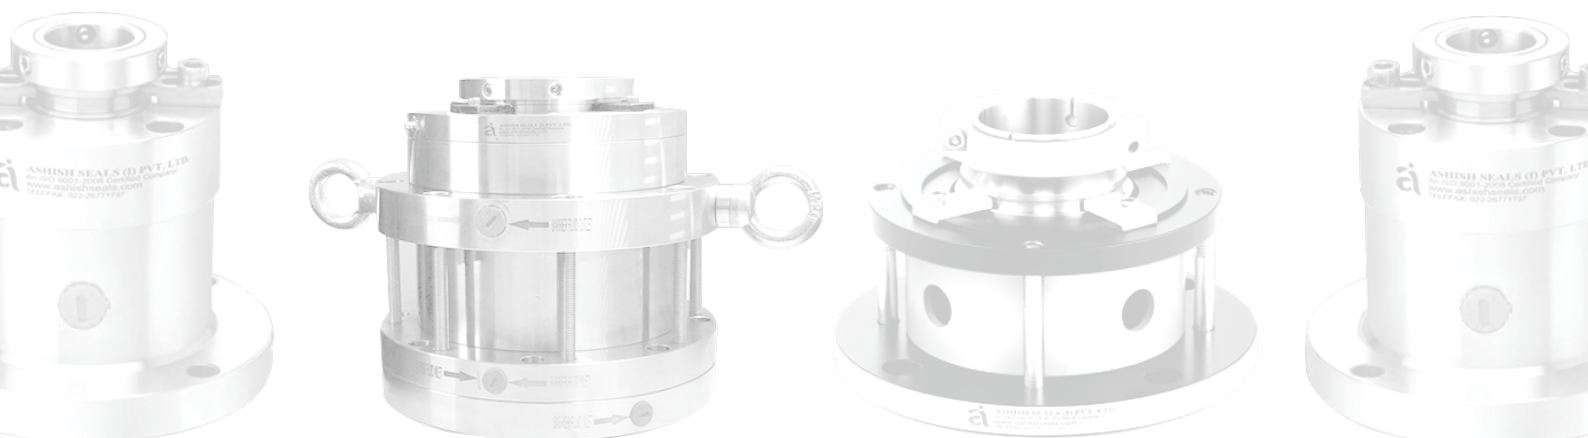

- Design and Consultation
- Fabrication
- Testing
- Onsite Services

Why Us

Ashish Seals is one of the leading designing specialists and has solutions for every sealing requirement. We have made significant contributions in the process industry over the past two decades.

- Superior and reliable product range
- Quality Assurance and reliable products.
- High quality product & services at competitive prices
- Ensures quick service to meet your needs at the right time.
- Stringent quality control policies and highly experienced team.
- Modern Infrastructure with huge storage capacity.
- Strong logistics & delivery channels.
- Superior quality products with on time deliveries.
- Confirmed execution of small as well as large consignment orders.
- Standards: API & DIN Standards /
Certificates: ISO 9001-2015
